Prescott Frontier Days, Inc. has its own beverage concession which covers any alcoholic beverages sold at the rodeo, water and specific soda and drink items. If beverages are approved for a vendor to sell, they must be items not included in the PFD inventory.

If you are a food vendor, your menu must be pre-approved by the Vendor Chairman so that we don't duplicate our available food products. We also have a beverage contract with the Coca Cola Company, and all drink items not included in the PFD beverage concession must also be pre-approved and from the Coke family of products.

No obscene or offensive items will be sold or displayed. The items sold by any vendor must pass strict family oriented scrutiny. No items with logos that express sexual innuendo, present defamatory statements or obscenity will be permitted. If such items are put on display, the Chairman or Director reserves the right to request their removal from the vendor space.
