

## 2008 World's Oldest Rodeo®

### Wrangler Tough Enough To Wear Pink Night

The 121<sup>st</sup> World's Oldest Rodeo® kicked off with tonight's Wrangler Tough Enough to Wear Pink performance. A sea of pink filled the grandstand as professional rodeo athletes filled the arena. Tonight's performance raised money for local cancer charities as Prescott Frontier Days® joined Wrangler in the fight against Breast Cancer.

Rodeo action was at it's best in every event. Arizona cowboy Clayton Tuchscherer of Cortaro, Ariz. made the fastest time in the steer wrestling with a 5.6 second run. He wasn't the only Arizonan to bring the heat, Rene Rodriguez from Tucson, Ariz. and partner, Kevin Yazzie, from Winslow, Ariz. are leading the team roping with a 7.3 second run. Saddle Bronc rider, Billy Etbauer, a legend in the rodeo business, battled it out in the bronc riding, finishing second, behind Cody DeMoss.

With seven more performances, these cowboys will have to sit on the edge of their seat to see if their fast times or high scores will hold. World champions and local favorites will compete here at the World's Oldest Rodeo, plenty of world class rodeo action still to come. Tickets sold in advance or at the gate.
