After a beautiful day in Prescott, the soupy arena of yesterday, dried and was in perfect condition for fast times and high scores. The third performance of the World's Oldest Rodeo®, Country Bank Night, was another huge success.

One reason this rodeo is ranked among the best in the sport, is because Prescott draws many Wrangler National Finals Rodeo qualifiers and World Champions. As a Wrangler ProRodeo Tour stop, the big guns in pro rodeo will all be in town.

Wednesday night, respected names like Tom McFarland, Will Lowe, Monty Lewis, Rube Woolsey, Tom Bill Johnson, Travis Tryan, Michael Jones, Tee Woolman, and Sheri Sinor Estrada, all graced the Prescott Frontier Days arena.

Speaking of grace, the Diamond Z English Shires of Cedar City, Utah, have returned for another year, adding a colossal amount of class to the World's Oldest Rodeo. Regal and elegant cannot begin to describe these gentile giants, who can be seen at each performance.

The Kiesner family is also in town, and made a great showing, performing their fancy roping, riding, and shooting, in their Wild West Revue. The excitement only grew from there, when Troy "Wild Child" Lerwill entered the arena. As always, Lerwill thrilled the crowd with his daring stunts.

More rodeo action still to come, World Champions, and local favorites due into town soon, so purchase rodeo tickets now. Call 928-445-3103.
