

Prescott Frontier Days® World's Oldest Rodeo®

York Dodge Day, July 4th, 2008 @ 1:30 p.m. - Performance # 5

Bobby Mote from Culver, Ore. on the bareback horse, Hypnotic, at the July 4th, 1:30 performance of the World's Oldest Rodeo. Mote made an 82 point ride.

Our Nation's birthday was celebrated in fine fashion today at the World's Oldest Rodeo. To kick off the show, the Arizona Skyhawks parachute demonstration team made an impressive and patriotic entrance when they landed in the arena.

The York Dodge performance got underway at 1:30 p.m. and though the sky threatened, only a few drops fell. However, that wasn't the story, after the performance, when the sky opened and rain poured down, leaving the arena dirt looking like soup.

The final two performances of the 2008 World's Oldest Rodeo® take place July 5th at 1:30 p.m. and 7:30 p.m. Tickets are still available, call 928-445-4320 for more information.
