There are many areas needing volunteers all year long in order for the association to function properly. However, our greatest need for volunteers to be available and reliable is during Rodeo Week. Directors and Chairman can give you further information on positions/committees, available openings and details of work involved. **Please Note: Volunteering is an important aspect of membership and greatly appreciated.**

**BENEFITS OF MEMBERSHIP WITH PRESCOTT FRONTIER DAYS®, INC.** Prescott Frontier Days®, Inc. is officially recognized as the World's Oldest Rodeo®, and as a member, you become involved in the excitement of this historical annual event as well all of the many other events sponsored by Prescott Frontier Days®, Inc. You will find friendship and fellowship with others who share the same interest. We also offer many social functions/events throughout the year that may include a Christmas Party, Volunteer Appreciation Dinner, Ice Cream Social, Kickoff Party (there may be a fee for some events). Make sure that you get a chance to sign up to volunteer to help out. **Our meetings are scheduled every Third Friday of each Month, held in the Danny Freeman Building at the Prescott Rodeo Grounds, unless otherwise posted. Just prior to Rodeo Week, the meetings are scheduled more frequently. You will receive a Monthly Newsletter. Prescott is the "World's Oldest Rodeo®"; our Motto is "We Rodeo We Give".** Don't miss the opportunity in helping to maintain the history of Prescott Frontier Days®, Inc., and have a lot of FUN!
